

**The first\* NCAA Championship meet was in 1921. Since that time the USC track team has perform remarkably well on the National scene that no university can match in collegiate track & field. There was no NCAA meet in 1924 and the '25, '26, and '27 meets were not scored. The following is USC's year-by-year finish at the NAAs.**

\*Prior to the NCAA, the IC4A (1876 to 1921) conducted a championship track meet which was considered the national collegiate championships of the United States until the introduction of the NCAA meet in 1921. The IC4A meet continued as a national meet until 1942.
